EMOYA Spa

Relax | Rejuvinate | Unwind

Welcome to Emoya Spa

Emoya Spa will pamper and spoil you with a variety of treatments while you experience the tranquil and serene sights and atmosphere unique to Emoya Spa.

We offer an experience, not only treatments and products. Leave your worries in the change rooms along with your valuables in a locker as you robe for an Emoya Spa experience starting with a complimentary drink in the rainforest footbath area, whereafter you will be taken to the treatment room.

Light lunch and snacks are available on request, served in either the Spa Lounge, with refreshments, or on the Patio by the unheated rock-pool overlooking the bushveld where animals roam freely. If you are lucky, the giraffes and rhinos will stop by for tea-time.
